FOREWORD

The 1961 Lens Staff is proud to present to the students of Washington High School a book that we hope will be one of the highlights of this year. In carrying out the theme, that of a stage show, many extra hours of time and effort were put forth in order to publish the finest book possible.

We sincerely hope that the 1961 Lens will be a source for many happy memories in the years to come.

DEDICATION

Since 1923, Superintendent J. W. Edwards has been working with Portland public schools, both as a teacher and as an administrator. There will be a great loss when he retires from the school system at the end of this year. His many contributions to education throughout his twenty five years on the administrative staff will not be soon forgotten.

The 1961 Lens Staff is proud to dedicate this book to Mr. Edwards in appreciation of his many years of outstanding service to our community.

PRINCIPAL

It is an honor and a privilege to serve the Washington High School community. The parents are friendly, cooperative, and vitally interested in this fine old high school, its activities, and its curriculum. The faculty is superior in every respect, and Washington High School is indeed fortunate to have such a dedicated group of instructors. Students reflect the fine attitude of their parents and on the whole are most satisfacorily responsive to the classroom instruction.

As a newcomer to this high school I am and have been highly impressed with the spirit, the cooperation, and the pride of the students as they go about their daily activities and studies. The esprit de corps of the faculty is outstanding in my experience with five different faculties during my thirty-seven years in secondary education. All of you - parents, students and faculty - have been most generous and helpful to me during this school year. May this happy relationship continue to exist in the years to come.

Sincerely,
Harold A. York

Fall Student Body President

The Fall Executive Council carried on its work this year basing its actions on the belief that student organizations have the primary purpose of teaching the student body about the democratic procedures and techniques used in a free society. With this thought in mind several new ideas were brought into the student council work.

As usual Freshman Orientation and the Fall Student Body Dance were held. In the fall a Student Workshop helped to train approximately one sixth of the student body in democratic procedures and leadership. A Leadership Training Program was also carried on for a short time. For fun the Executive Council and the Dad's Club went together on the Pancake Ball which was a huge success. Sapporo received a semi-weekly package from her sister school, Washington, and plans for a large package containing art work and other selections were made. A student day proved very beneficial to all who participated.

Washington is fortunate in having an active student council and a serious attitude toward the council's work. The Fall Executive Council of 1960-61 sincerely hopes that this attitude will continue.

Spring Student Body President

Serving the students of Washington High School has been a great honor, privilege and pleasure. The students are becoming more interested in what is taking place as has been shown by the marked increase in the number of students participating in the student body functions.

I think it could be said of the Spring Executive Council that our term has been a successful one. I don't feel that we have progressed in leaps and bounds, but I do think that the students serving in leadership capacities have derived a great deal of knowledge about leading.

There is not another high school in the city who can claim to have what Washington has. The majority of Washington students are a group of tightly woven individuals dedicated to the betterment of the school. In a small school such as ours, it is important that this prevails over all else. If the students of Washington can remain in this state of dedication, they will be able to conquer many problems that otherwise could not be met. Size alone does not determine whether a group will win. It is the enthusiasm and spirit each member has that will determine the final winner. We, the students of Washington, shall always hold true to this ideal.

GENERAL COUNCIL PRESIDENT

The purpose of the General Council is to provide a form of student organization where every member of the student body is represented. It is meant to provide a body in which ideas from the students can be discussed and taken to the Executive Council, and programs of the Executive Council can be presented to the student body. This purpose was accomplished through the meetings this fall. Specifically the General Council planned and carried out Student Teacher Day. The council also provided all personnel for the Student Body Elections. Members of the council and student body in general are to be commended for their fine cooperation and acceptance of responsibility.

GENERAL COUNCIL PRESIDENT

The General Council has been involved in numerous activities this spring. The major function was the May Fete Dance, which proved to be quite successful. Other activities which we participated in were the March of Dimes Campaign and the Cleanup Campaign. Also, each of the council members were given a course in parliamentary procedure, which was useful for conducting the meetings properly and for the training of future executives. Our Sapporo Committee was very active and the Sapporo Week, which was conducted by this committee, was an outstanding and interesting event. The General Council has done a great deal to improve our school.

SAPPORO COMMITTEE

Steve Smith, Carolyn Fichtl, Bob Keller, Principal York, Mrs. Rahmes, Miss MacRae, Linda Tweten, Dick Thompson, Sally Arnsberg, Jerry Lueb.

Washington is distinct in being the only school in the city which has a sister school in another country. Our sister school, Sapporo South High School, is located in Sapporo City on Hokkaido, the Northern most island of the Japanese Archipelago.

After organization of the Sapporo Committee in the Spring of 1960 a great many activities have followed. An assembly was presented in November, a pen pal program organized, and an entire week of activities, assemblies and judo exhibitions in the spring of this year.

The bond of good will our country has with Japan is strengthened through programs like ours, and we feel it is very beneficial to all those involved.

The Sapporo Committee held a luncheon at which two representatives from the Japanese Historical Society and a representative from the Mayor's office were present.

SENIOR CLASS SONG

Now is the hour,
When we must say good-bye;
We'll remember always,
These happy days gone by.
The special friends we've made;
The many dreams come true;
These treasured things will never fade,
Though high school days are through.

Now is the hour,
When each of us recalls
The fun, the games, the dances,
Since we first roamed these halls.
The favorite melodies,
The work, the joys, the tears;
Now these are only memories,
To last throughout the years.

Now is the hour,
When we must look ahead,
And stand to face the future,
Without one fear or dread.
The knowledge gathered here,
Will start us on our way,
We leave a school so very dear;
We'll ne'r forget this day.

President's Proclamation

During the past four years the world has witnessed rapid advances in science and violent destruction of many governments. We now live in a world divided and under a constant threat by Communism to our economic and physical well-being.

To cope with the problems we will face as future citizens, we have been provided with a liberal education, most of which has been received here at Washington High School. But we have learned more than scientific formulas and grammatical correctness. Experience coupled with advice from faculty members has given us a good start on the road to becoming a mature and responsible person. We sincerely express our gratitude to the administration, faculty, and fellow students for the opportunities they have given us so that we may better ourselves. Even though we, the Class of 1961, must leave the halls where we found warmth and friendship, we leave behind the hope that future students will find this warmth; and we take with us fond and happy memories of our four years at Washington High School.

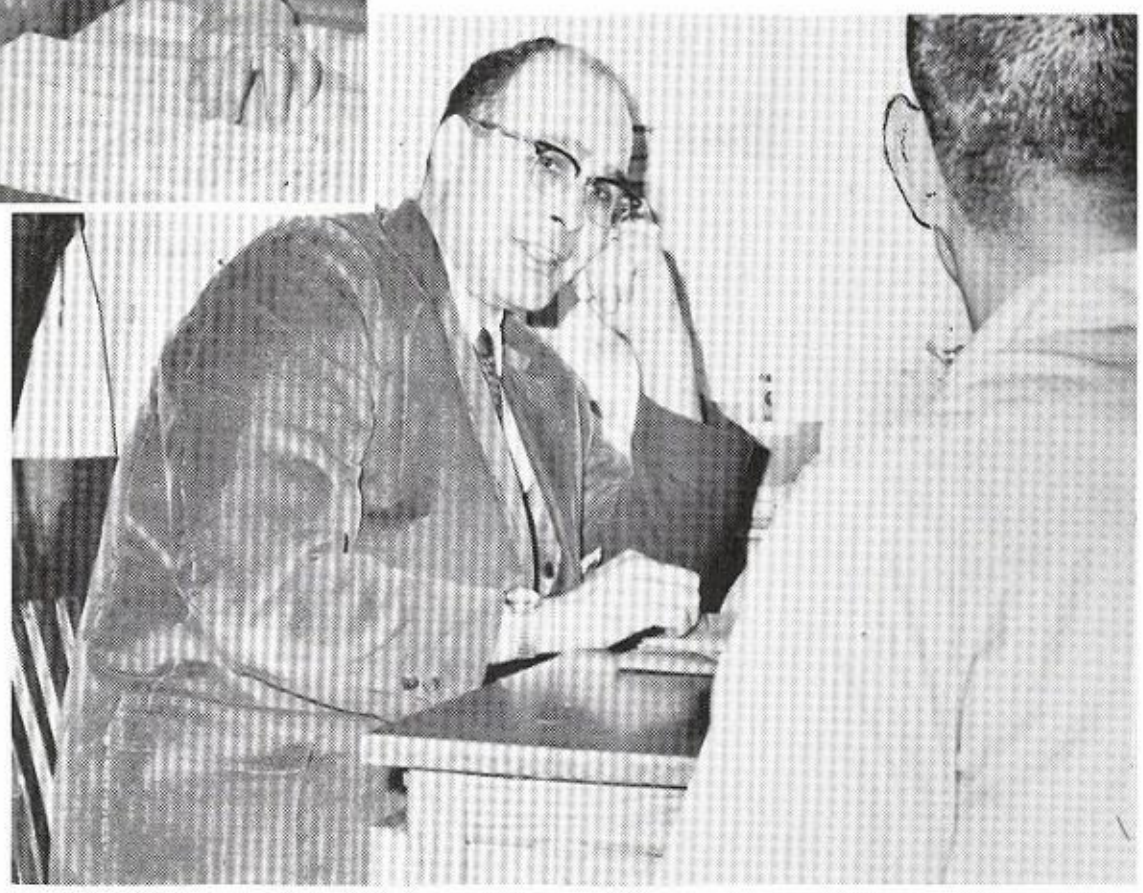
Senior Class Counselors

The girls of the class of 1961 would lik to express their appreciation to Mis MacRae for the excellent guidance sh has given us throughout our four year at Washington. She has always bee willing to give of her own time in orde to help us with our problems. It was indee an honor and a privilege to have such a enthusiastic woman as our counselor. Ma the incoming freshmen find her as helpf as we have.



The boys of the class of 1961 will never forget the man who has guided them so ably and efficiently through their final two years at Washington.

It is very comforting to know that when you have difficulties and are in need of advice, Mr. Knutson is there to impart upon you some past experience of his which parallels your problem and helps to comfort your mind.

To Mr. Knutson goes the deep gratitude and appreciation of our class for the fine guidance he has given us.

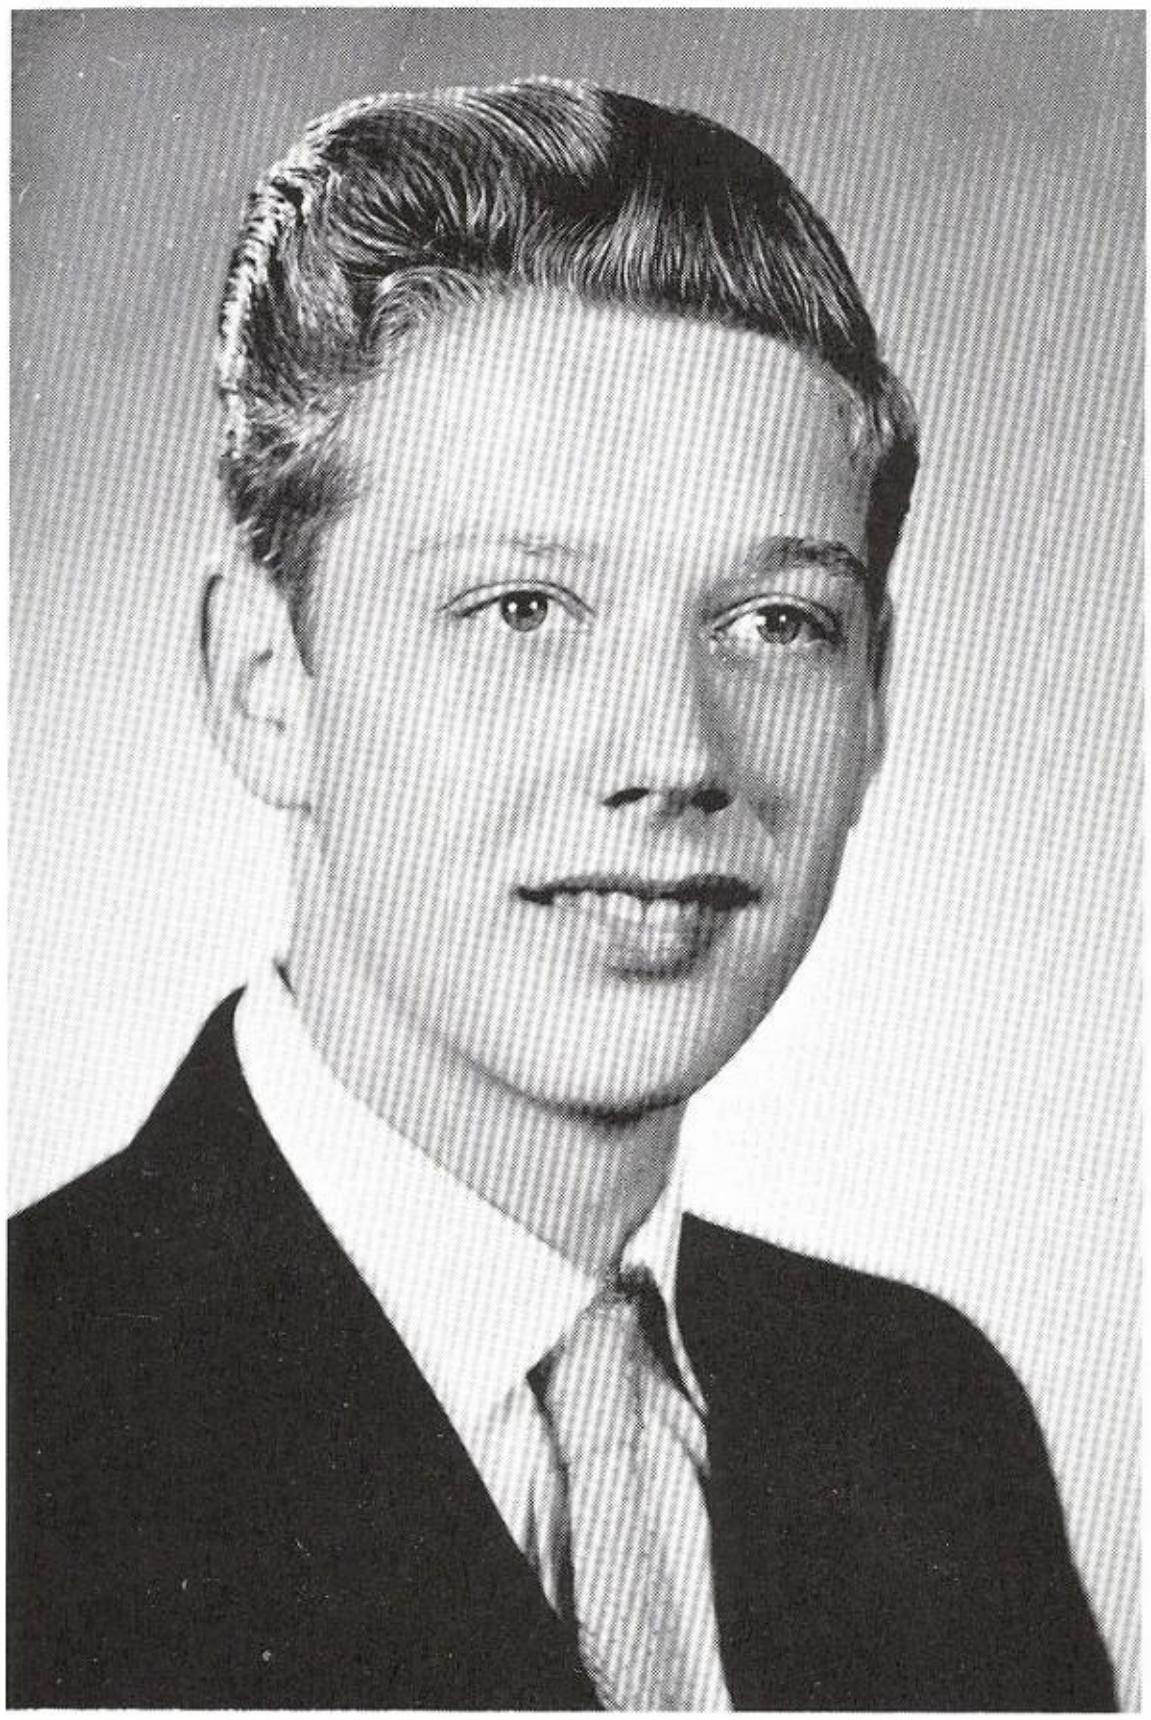
In Memorium



Ronald E. Clemens

Born September 3, 1943 - Died January 9, 1961

During the brief seventeen years of his life Ron established himself in our memories as a boy who had a quiet way of making friends with everyone he knew. He was a person who worked hard and well at anything he undertook. His untimely death has left a vacancy that no one can replace in our hearts as well as our classes.

KICKOFF 1960

Old and new Colonial spirit was dragged in by the rally squad to launch the 1960 football season.

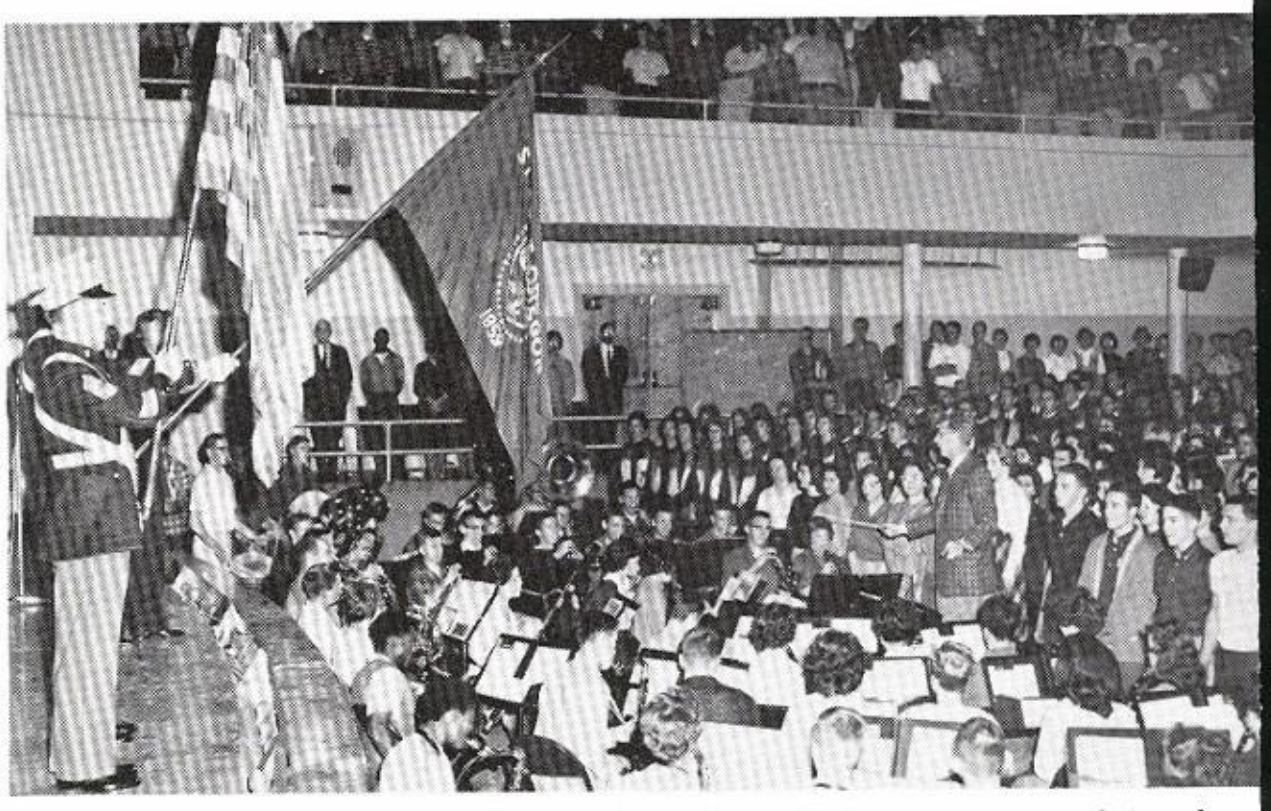
Enthusiastic Wa-Hi students hailed the football court with senior, Darrylanne Brooks crowned queen at the opening game dance. Darrylanne's princesses included junior Mary Ann Krug, sophomore Ann Pitts, and freshman Debbie Tunzat.

Highlight of the game's activities on Saturday was a tricycle race between our principal Mr. York and Dr. Leon Minear of Benson, our opponent's principal. Due to certain circumstances apparently beyond their control, the two pedalling principals just happened to reach the finish line at the same time.

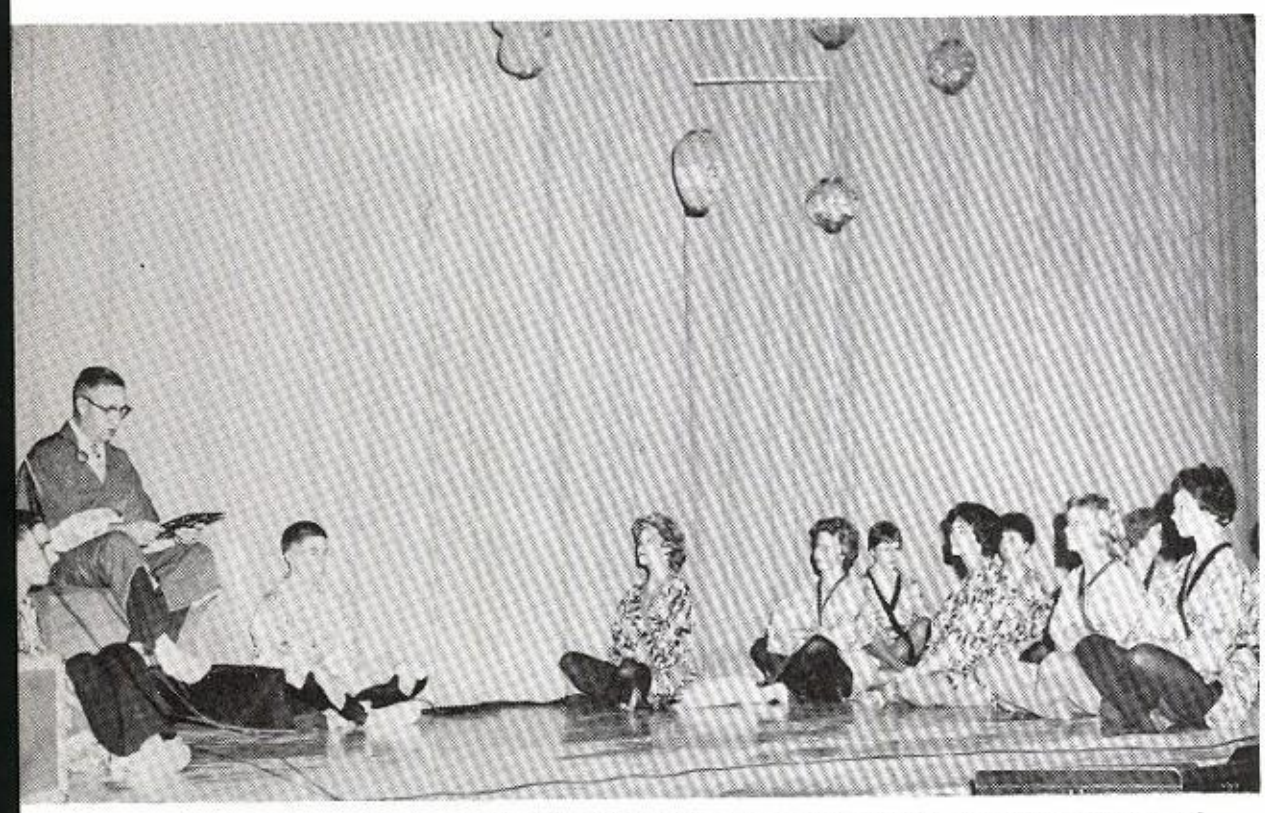
We lost our first game but our spirits never lagged--despite the heat of the warm September day.

FRINGE BENEFITS OF FALL TERM

Seniors Sharon Demers and Carol Jensen share a chuckle at tea given to senior girls by the Girls' League, one of a series.



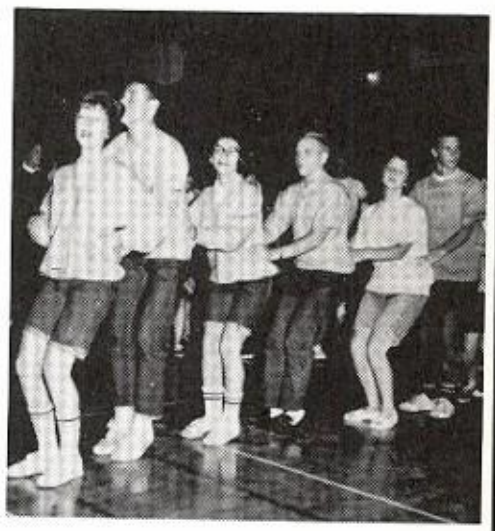
At our Thanksgiving assembly members of the Marine Core National Guard officially introduced the the new fifty-star flag and retired the fourty-eight star model. Students stood to sing the National Anthem.



Some Colonials go Oriental for the Sapporo assembly given in recognition of our sister high school in Sapporo, Japan. Our principal Mr. York donned a kimono for his role.

Wilson Kone served as schoolmaster for a period as many Colonials changed places with their teachers in the annual student teachers' day. Trudy Nieuboer appeared attentive.

1-2-3-hop. Where does the line stop? All Colonials at the dance joined in for the Bunny Hop.



Juniors Bob Sherwood and Darelle Brechbiel both appear to be a little near-sighted.

SADIE HAWKINS

The annual Sadie Hawkins Dance climaxed "Twirp Week", Friday, October 28 in the new gym. The dance was jointly sponsored by Knights, Cleves, and N.H.S. Any girl who did not obey a boy ended up in the Kangaroo Court where the girls had to push a peanut with their nose to doing the boy's yell "Bo Bo".

THEY SAID UH-UH

The spirit of George Washington won the evening basketball game and the old General's re-election to office.

Oversized Blitz was the rally's mascot most of the time in absentia due to his generous proportions and excitable nature. Here he shares the spotlight with Donna Baker and Cathy Ronald.

"Our Town", presented November 18 and 19, concerns life in Grovers Corners, New Hampshire, during the early 1900's. The plot centers around the Bigg's and Webb's families and the romance of George Gibbs and Emily Webb. The story narration is done by Jim Reed, who plays the part of the stage manager.

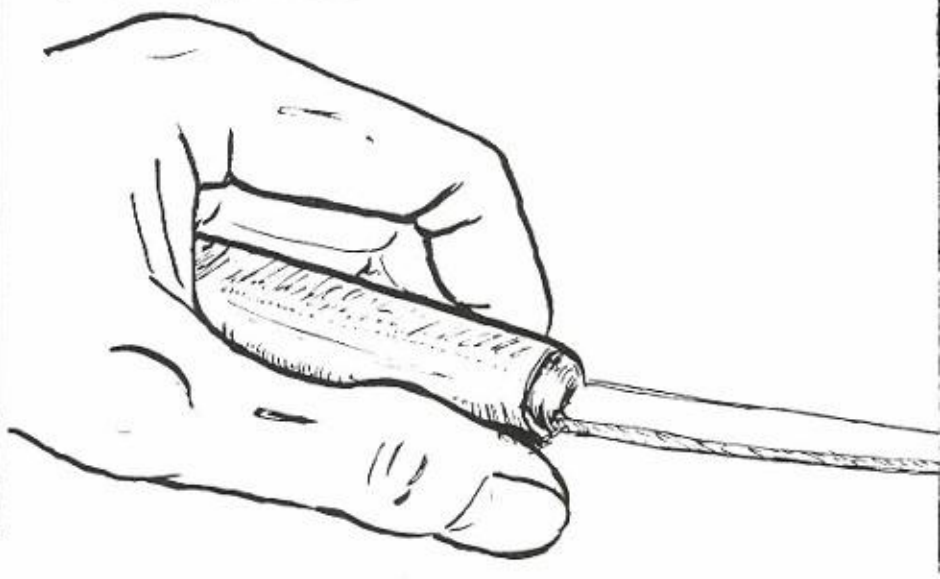
After the basketball game students had a ball of their own.

The junior rally "girls" urged the effort of their girls' basketball team, but to no avail. They lost to the freshmen.

The Pancake Ball, sponsored, by the Dads' Club ended Boys' League Week, Friday, December 1 A pep assembly opened the day's events and a after-game dance concluded the day. Senior walked away with the two top prizes, twenty-five dollars for selling the most tickets and queen of the ball, Jo Ann Sheley, who held the missing piece of puzzle.



While the dads flipped pancakes, these girls flipped their beads in a gay twenties dance.

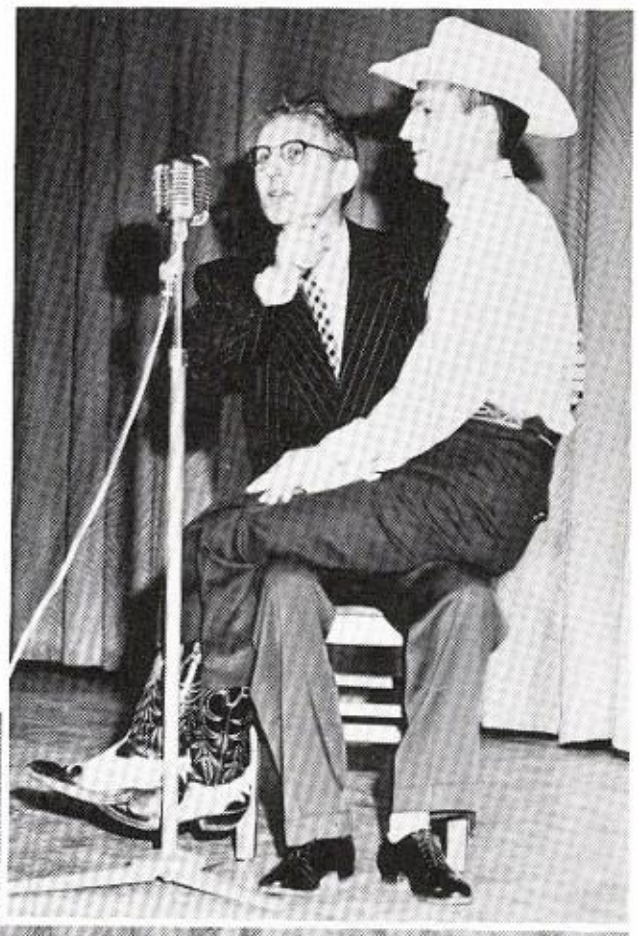
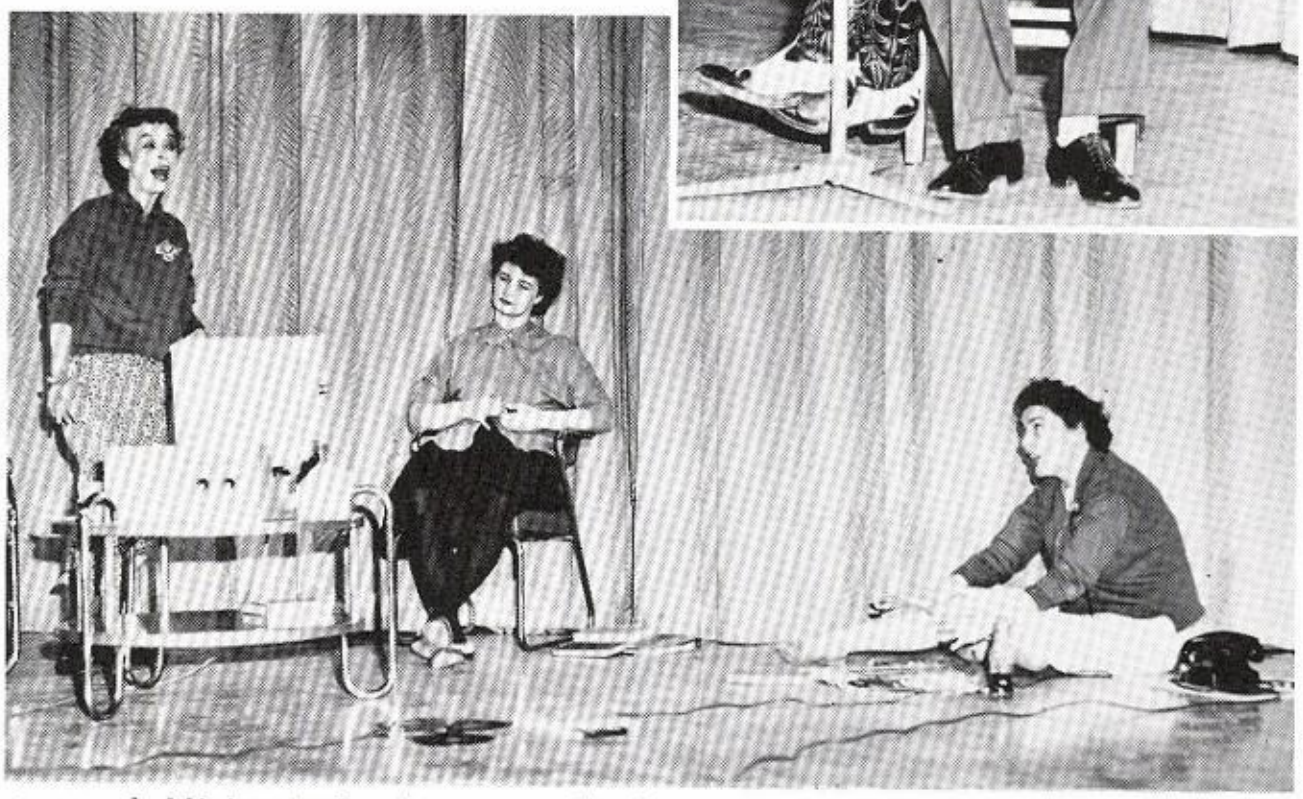
Colonials donned gay formals and neat dark suits for the ball at the new Memorial Coliseum.

GETTING TO KNOW YOU

"Getting to Know You", theme for the all-faculty, assembly was presented to the student body, Friday, February 17. The assembly was directed by Mr. Matson, Washington's drama teacher. Assistant director and emcee of the production was Mr. Basic, special education teacher. The vaudeville skits displayed a few previously unknown talents of our faculty, and it was suggested the theme might well be "Teachers are Human, Too!" The money collected went to help defray the costs of the spring athletic banquet.



"Dummy" Charlie (Mr. Heick) outsmarted his "mentor" (Mr. Melnichuck) in a clever McCarthy-Bergen parody.



Upper Left: Mr. Knutson, at a desk on stage, appeared oblivious to faculty capers. He drew understanding chuckles when he exited briefly. Upper Right: "How to Win Grades and Influence Teachers" was object of appearance of Miss Hudson, Mrs. McMahon, and Mrs. Berke. They demonstrated a few book-dodging tricks students have not already adopted faithfully. Lower Left: Mrs. Walker and Mrs. Thomas roared on stage in a brisk Charleston a la "20's" displaying top form. Lower Right: Mrs. Randall prowled through the audience calling "Ole'y who goht my tickit?" and found neither Ole'y nor tickit.

The queen selection was based on the number of tags sold by each class.

The Washington High School Choir can be very proud of its achievements this year and also of the work Mr. Heick has done in the Music Department the past four years. Again this year he has produced an excellent choir which performed for the Thanksgiving, Christmas, Easter, George Washington's Birthday, and Veteran's Day assemblies, the annual Pesante Presents, Spring Festival, and television programs.

The All-City Choir Festival was an inspirational experience unequaled by any other song-fest, with all high school choirs participating. This year's vocal department is one of great achievement and musical satisfaction.

Spring Cabinet

The Spring Cabinet undertook many varied activities in addition to its normal agenda. In addition to acquainting the club presidents with the policies of Washington High School, it devoted time to money making projects, planning of club activities, standards for club membership and service projects for the school and community.

Committees to aid the Sapporo project, Shamrock Ball, Spring Sports Kick-Off Day, and the May Fete were formed from members of the Cabinet. Many clubs provided help to the executive council. The Spring Cabinet brought the club presidents more directly into the functioning body so they could serve as well informed representatives of the respective clubs.

FOOTBALL

The Washington High football squad completed the best football season in three years. Mr. Ashenbrener was in his fourth season as head coach, and he was ably assisted by Mr. Mayte, and Mr. Milokna. Before the season began, the squad elected senior Andy Kanas to lead the team as their captain.

Washington opened their PIL league play against the powerful Benson Techman. Benson won the game 26-0, but the Colonials held the Engineers scoreless for almost the entire first half. The game was played under 80 degree weather.

Roosevelt High was given the honor of being the Colonial's first victim. Wa-Hi scored a 13-0 victory. Wa-Hi went into the game as underdogs, but do to the tremendous defense put up by our team we were able to hold them for no score and control the ball for most of the game.

The Franklin game was the most exciting game played by Washington. Each team scored two touchdowns during the game; but the difference in the scores came when Wa-Hi capitalized on both pat's while Franklin Managed only to convert one point.

Washington was then defeated by the next three opponents in this order. Grant 32-Wa-Hi 0; Jefferson 33-Wa-Hi 0; Lincoln 20-Wa-Hi 6. The Jefferson and Lincoln games were played in the mud. Our lone score in those three games came on a pass from Odell Watson to Mel Brown.

The Cleveland Indians and the Colonials met on a neutral Lincoln field. Wa-Hi capitilized on several crucial fumbles by Cleveland and from a fumble we made our only score. Cleveland was able to score only once also. Wa-Hi won the game 7 to 6.

Wa-Hi dropped their last two PIL games to Wilson and traditional rival Madison. We were very badly beaten by Wilson 46 to 6 and Madison managed to conquer us by a 33 to 7 score.

The Senior awards for the team are as follows; Most Valuable, Andy Kanas, Most Improved Players, Sherman Brown and Howard DuFault, Best Back; Oscar West and John Sylvestor, Best Lineman; Andy Kanas, Most Tackles; Oscar West, and runner up Phil Thompson.

Washington's Varsity Basketball team underwent a trying season this year with only three wins against fifteen losses. This year's team was sprinkled with sophomores and juniors. as well as seniors. The team this year did a good job against surprising odds.

In our first victory the Teddies were tromped 45-52 on Roosevelt's home court. Fifty-fourty-six was the tune of our second victorious rally over Franklin. In our final game of the season the lads of colville put the frosting on the cake by dumping the "minutemen" from Marshall 52-51.

The 1961 edition of the Washington J.V. basketball team had on the whole a disgusting season. Although the did not fare exceedingly well, they did manage to do better than the varsity squad. Coach Poetsch was in his first year as the J.V. mentor and he had good co-operation from both his players and the student body. Throughout the entire season, the most consistant players were Bob Kaiser and Jerome Polk. Larry Pierce was the leading scorer for the J.V.'s until his family moved to another state. Bob Wallace, Jesse Mills, Gene Stainbrook, Earl Fray, and Jerry Kloosterman alternated between the J.V. and varsity squads throughout the entire season, and helped immensely when they were participating with the J.V.'s.

For the third year in succession coach William McCord and his frosh basketball squads have had better than average seasons. This year the squad was loaded with spirit, talent, and much desire and proved to be the most successful of the three basketball teams here at Washington. The starting five throughout the season were Terry Greene, Steve Settlemier, Clyde DeWitz, Harold Miller, and Jack Suter. Reserve players Jim Van Acker, Alvin Mueller, Birl Simington, Gary Weiler and Joe Rapp also played an important part in the success of the Washington frosh basketball team.

HEAD COACH
MR. MAYTE

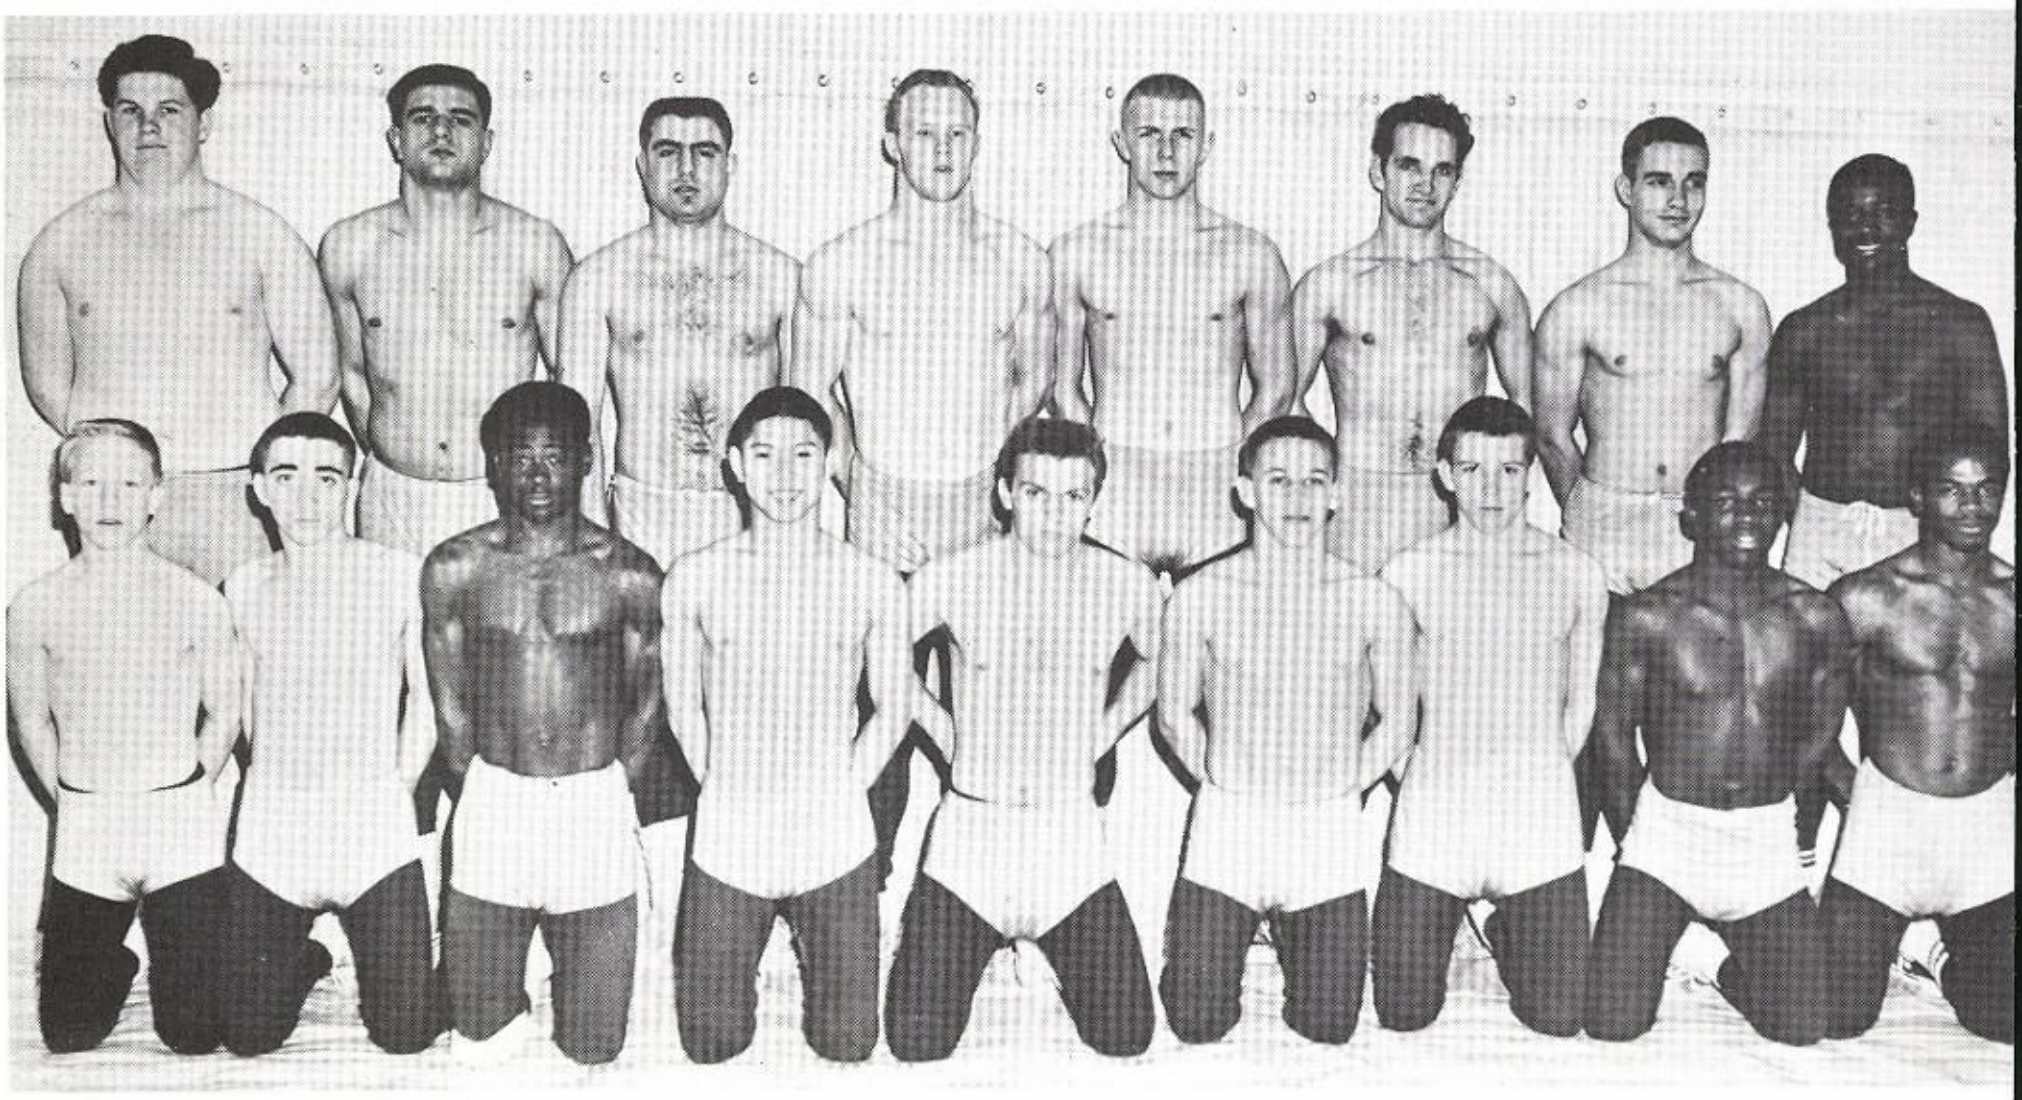
WRESTLING

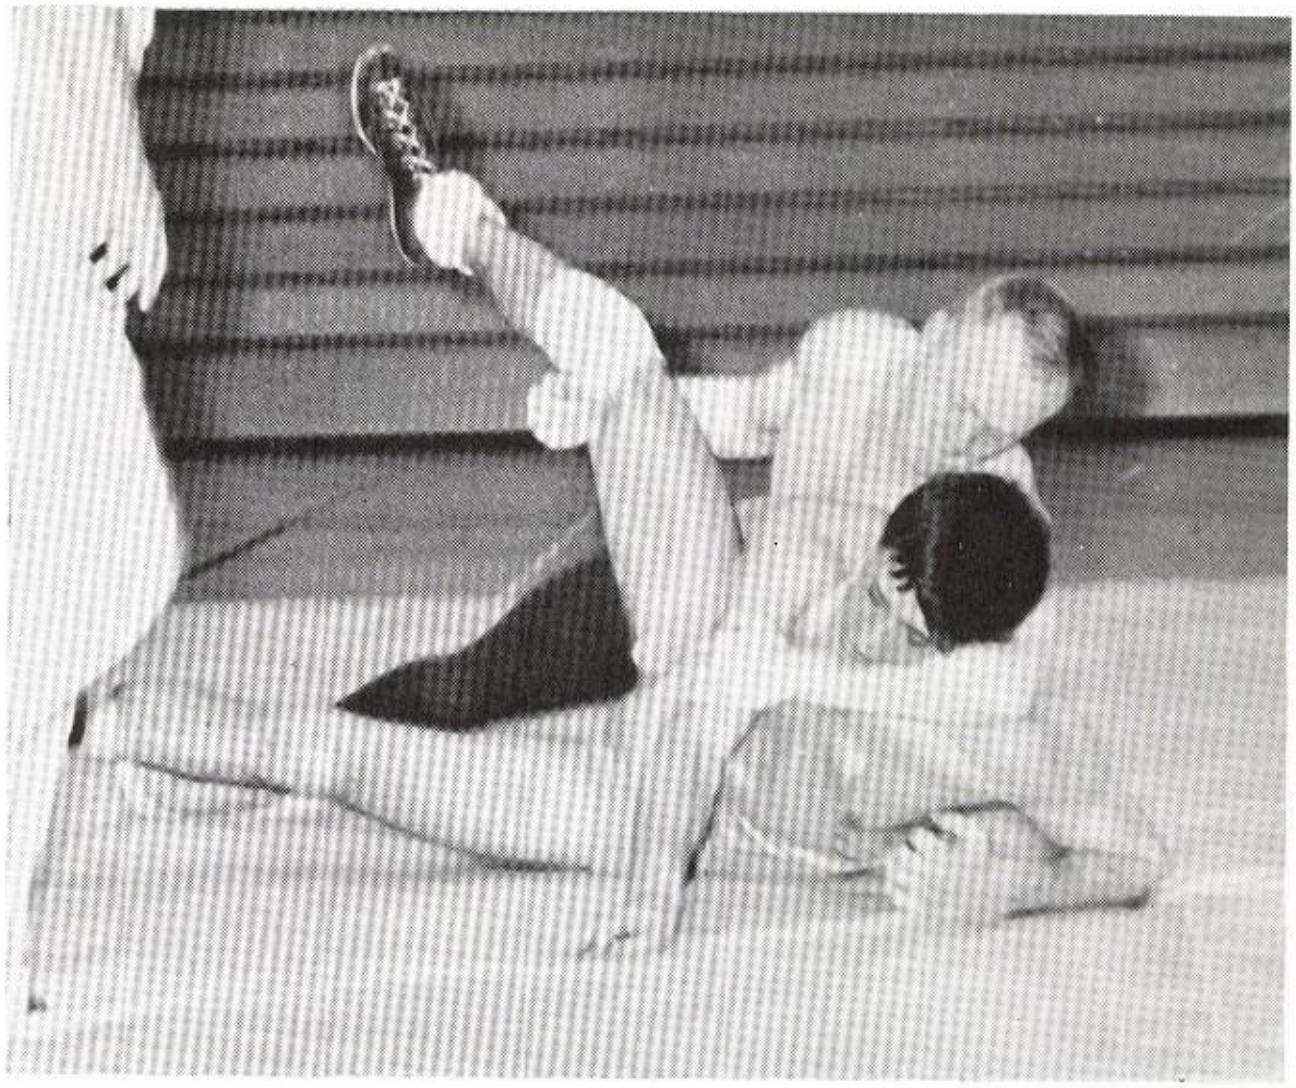
The Washington High wrestling squad compiled a very commendable 8 win and 6 loss record this season. Wa-Hi placed sixth in the city tournament scoring a total of 54 points just 4 points out of fourth. Mr. Mayte was head coach again this year and he was ably assisted by Mr. Aldridge.

This year Washington had five grapplers who placed in the city tournament. They were Dave Coons, Charles Cason, Jim Challis, Rick Taylor, and Jim Ford. Dave finished first at 178, Cason second at 141; Challis garnered third at 191, Taylor and Ford wrestled their way to fourth place finishes in the 123 and heavyweight classes respectively. Other outstanding wrestlers were Co-Captain, Roy Pittman, Randy Johnson, and Bill Saunders.

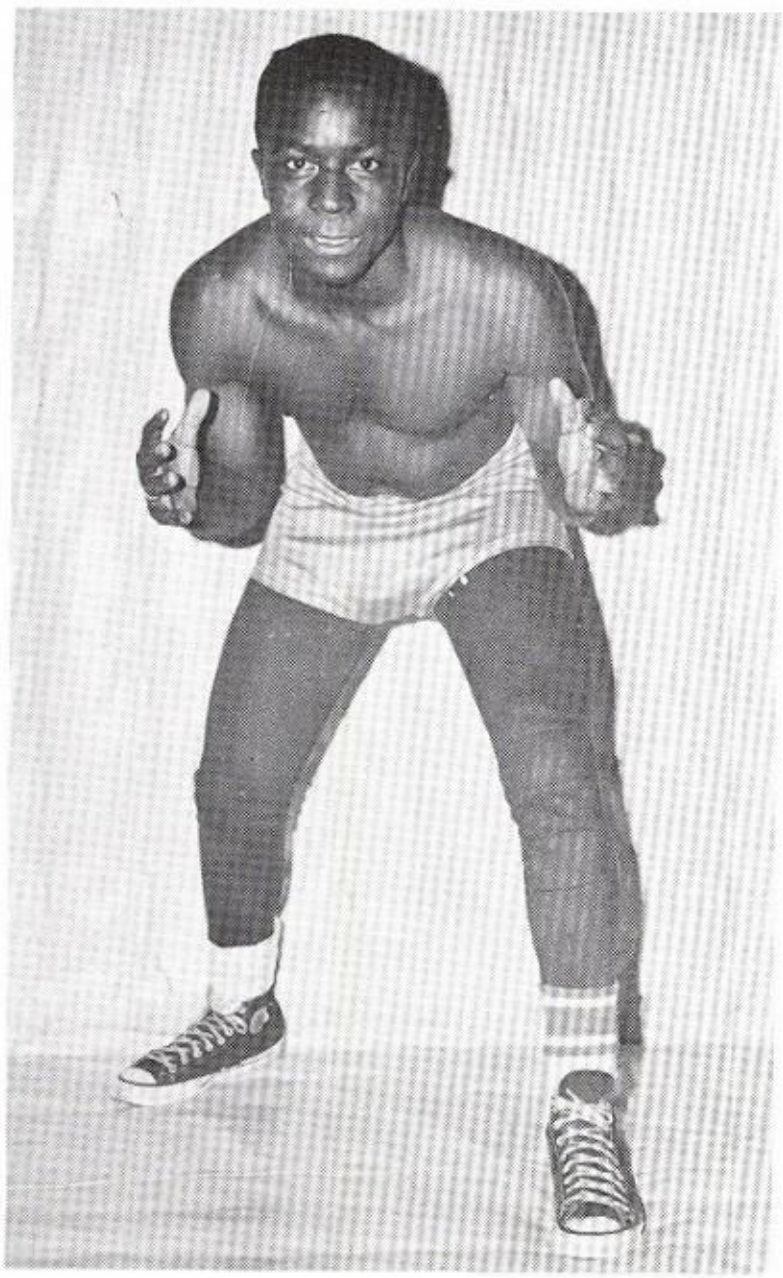
Dave Coons and Charles Cason both represented Wa-Hi at the state wrestling tournament at Oregon State University in Corvallis. Both grapplers did well, and the entire student body should be very proud of them.

First row; Randy Johnson, Russell Brown, Bill Saunders, Fay Lee, Clay Fzeo, Rick Taylor, John Baker, Roy Pittman, Bob Brooks. Second row; Jim Ford, Jim Challis, Andy Kanas, Dave Coons, Pete Ruotsi, Oscar West, Ed Kontz, Charles Cason.

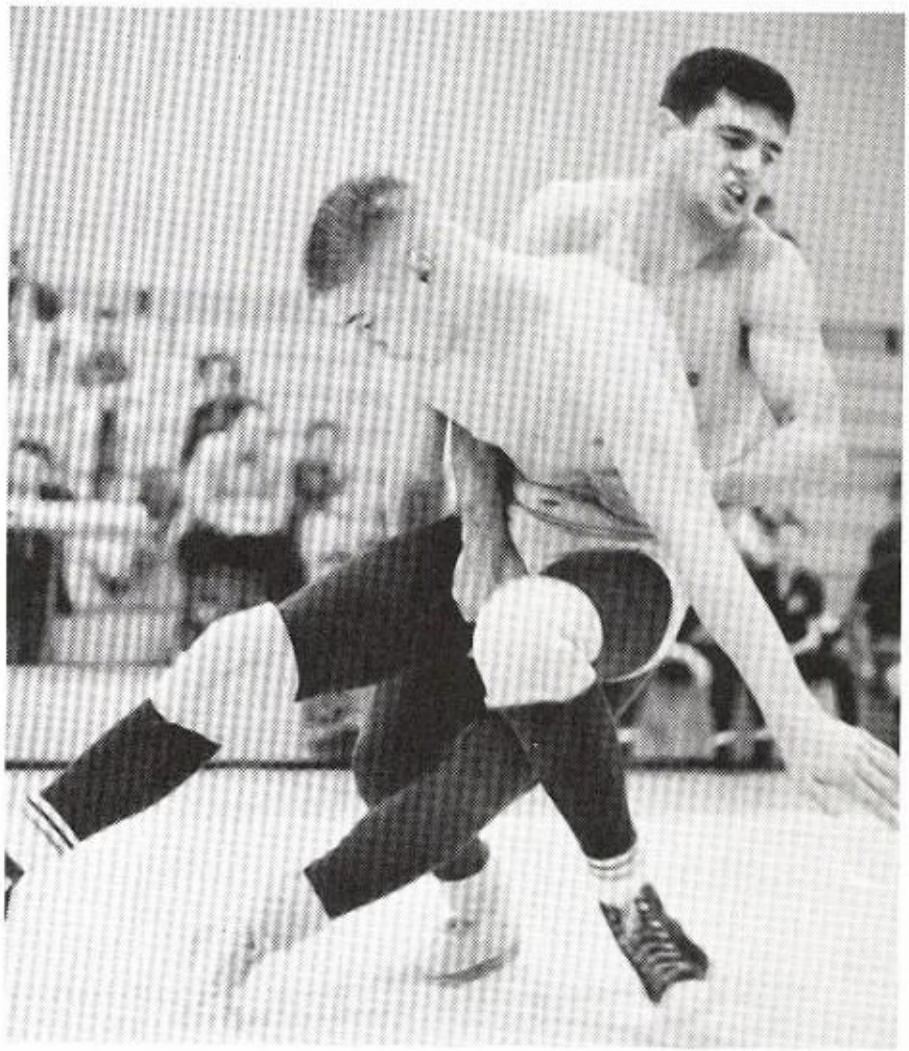




Dave Coons is shown applying a pinning combination on his fellow grappler. Dave combined his skill and vast knowledge to lead the Wa-Hi wrestlers to a successful season. Dave won all but one of his post season matches, and the same was true for the regular season. He was Washington's only city champion, and he reigned as the king of the 178 lb. wrestlers.

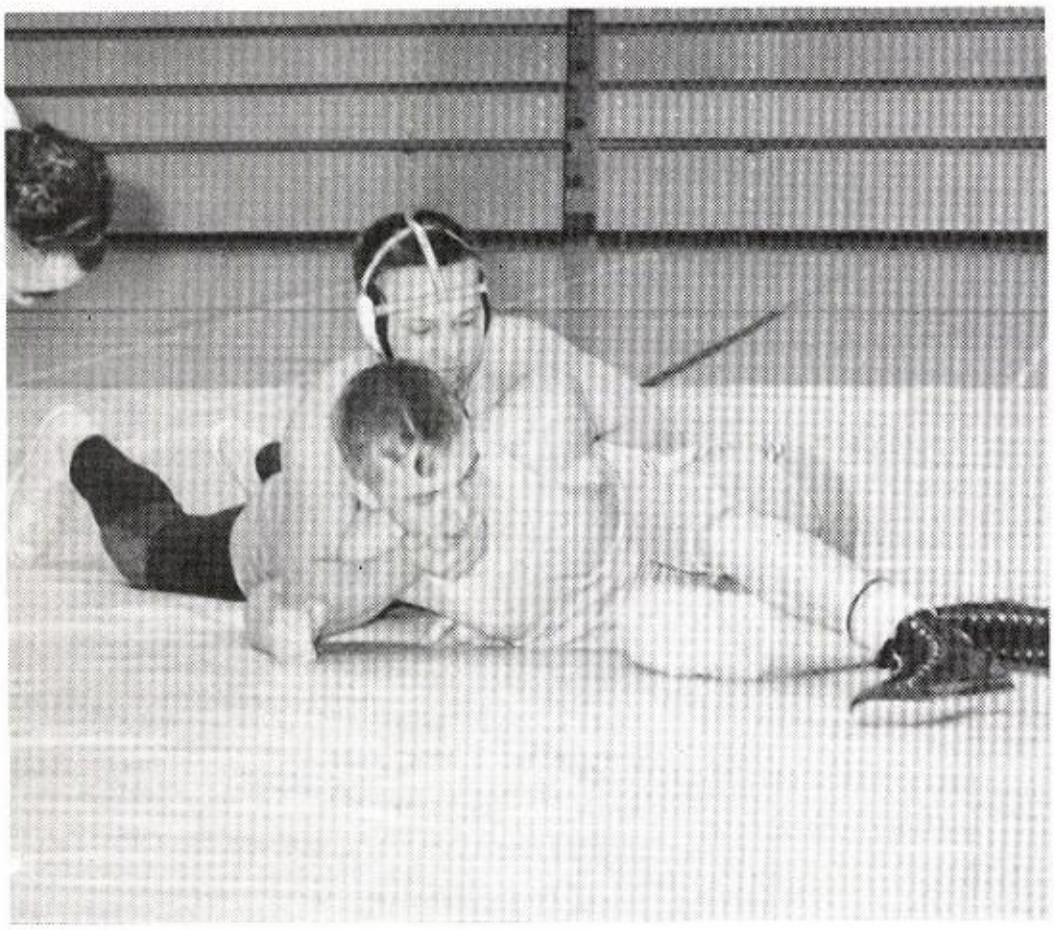


Charles Cason placed second in the 141 lb. weight division in the city meet. At the state tournament Charles advanced to the quarterfinals before being eliminated from the championship bracket.



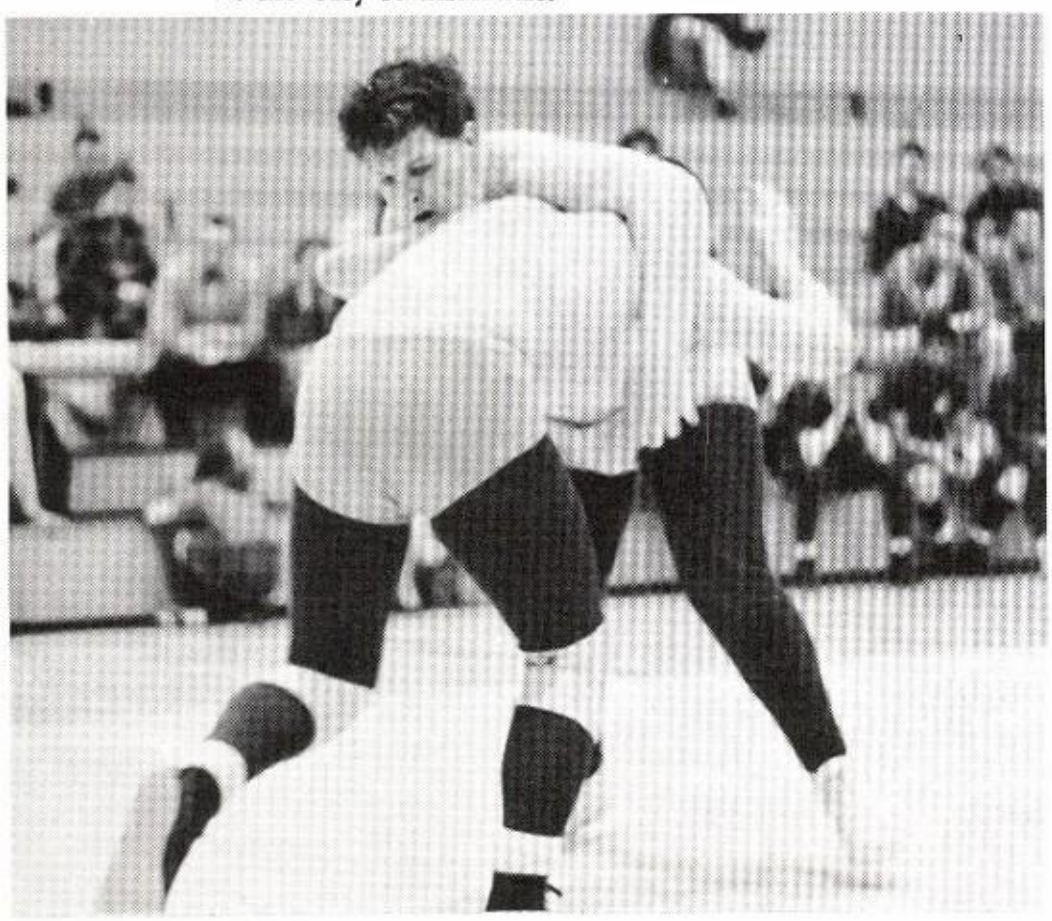
Jim Challis once again proved to be one of Washington's elite wrestlers. Challis placed third in the 191 lb. weight class at the city meet for the second year in succession.

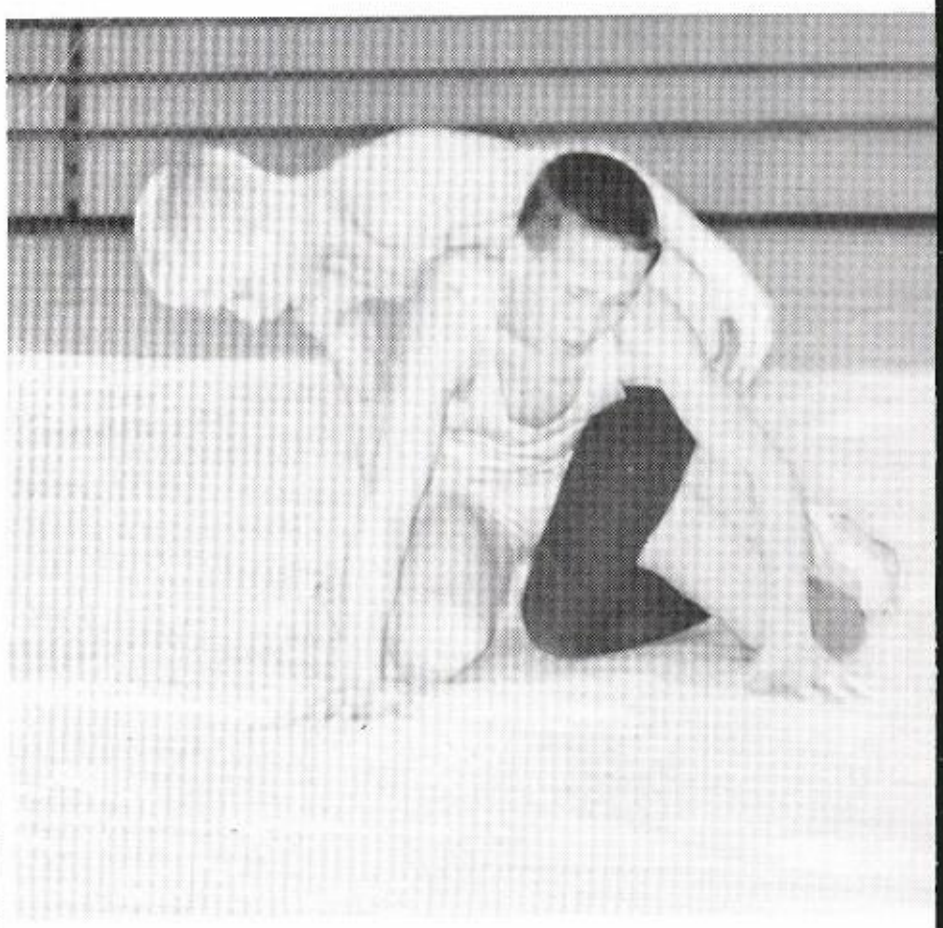
Rick Taylor is shown riding shotgun on his opponent in the Madison match. Rick gained a fourth place finish in the city tournament in the 123 lb. weight class.



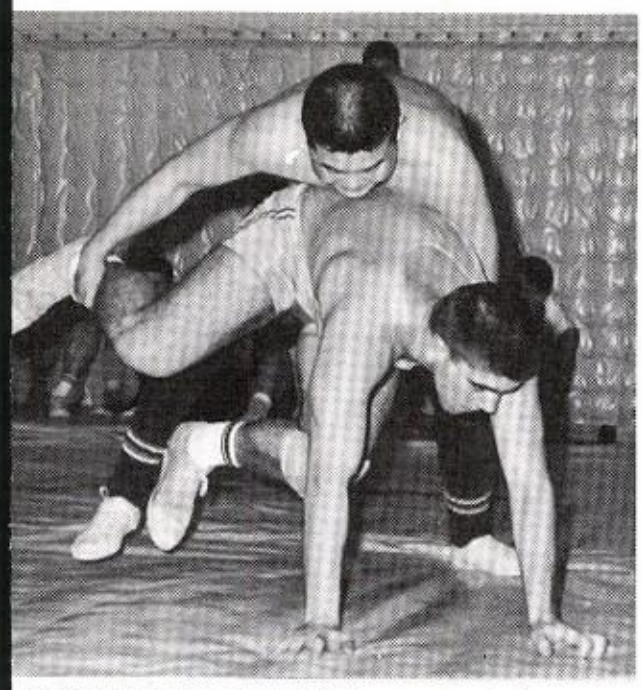
Roy Pittman is shown working for a pinning combination in his match with a Roosevelt grappler. Roy was a very consistant winner and an outstanding leader on the wrestling mat.

Jim Ford watches his opponent's moves as he attempts a takedown. Ford garnered fourth place in the heavyweight division at the city tournament.



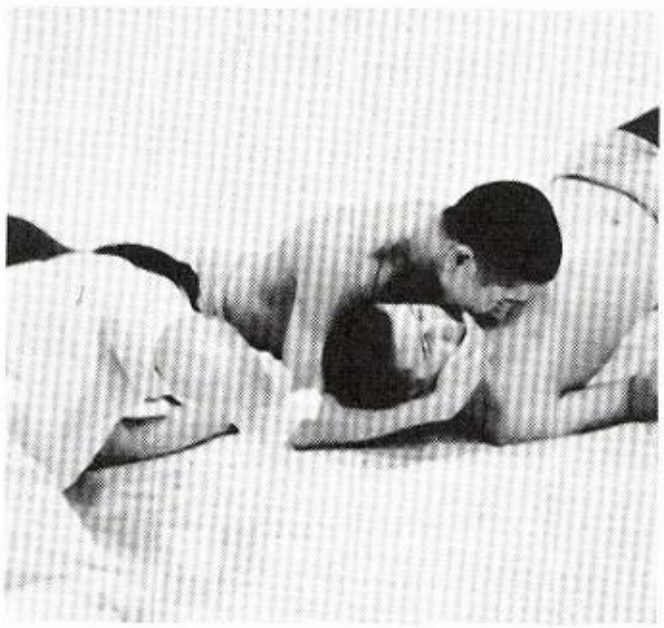


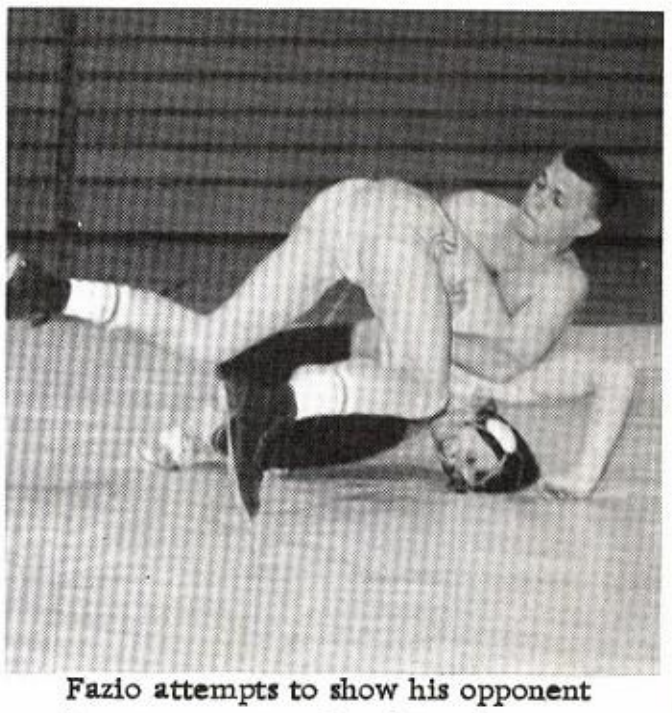
Randy Johnson, only a freshman, proved to be a very skillful wrestler as he compiled a winning record and helped lead the squad to a victorious season.



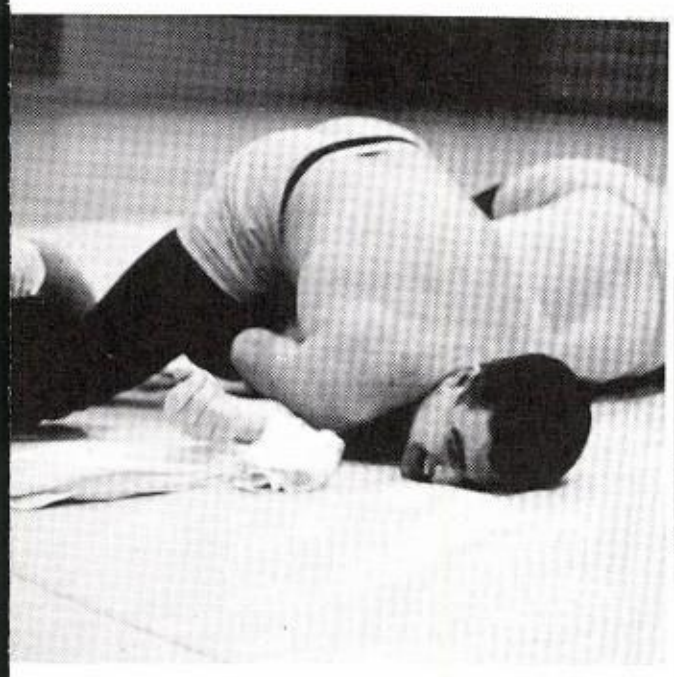
Kakishita leg rides his opponent in a wild wheel barrel race.

Fay Lee is a fast worker; it only took 15 seconds for this one.



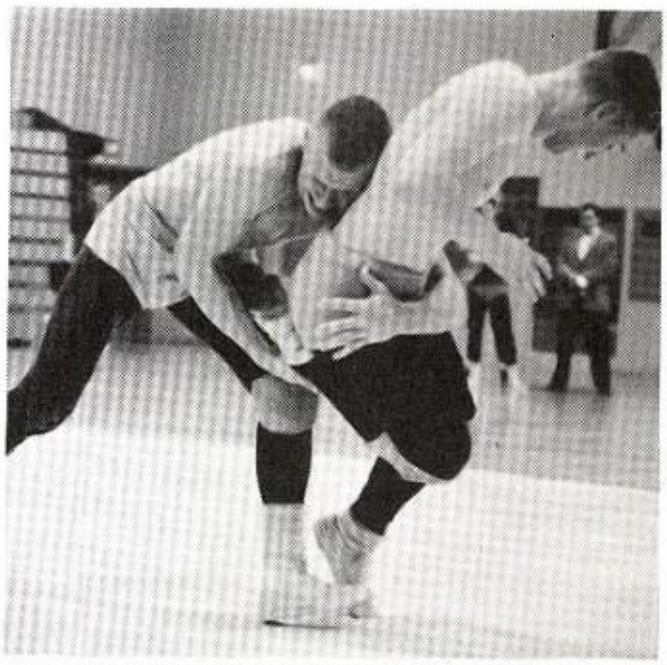


Fazio attempts to show his opponent how to execute a head stand.

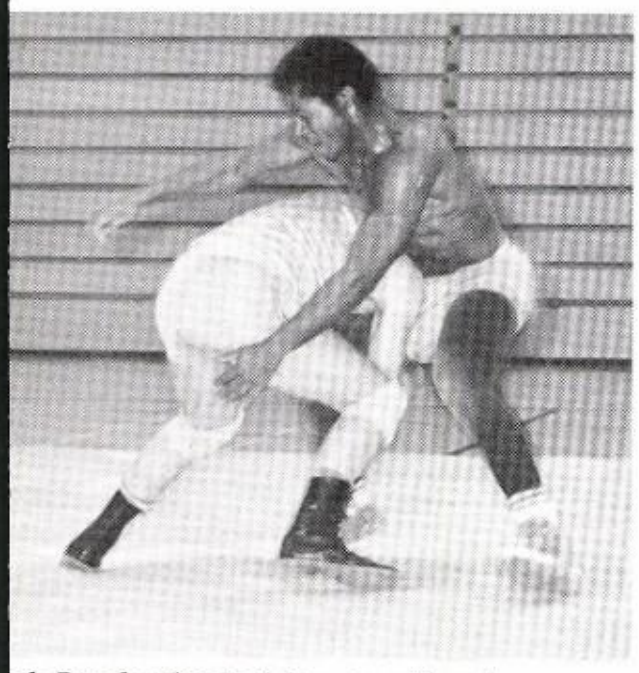


It hurts Mr. Kanas more than it does his opponent.

William Saunders grins his man into submission.

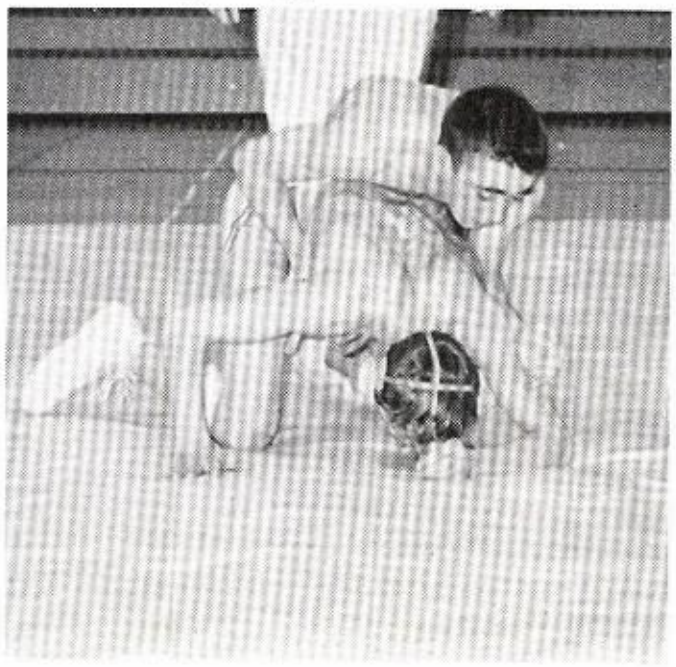


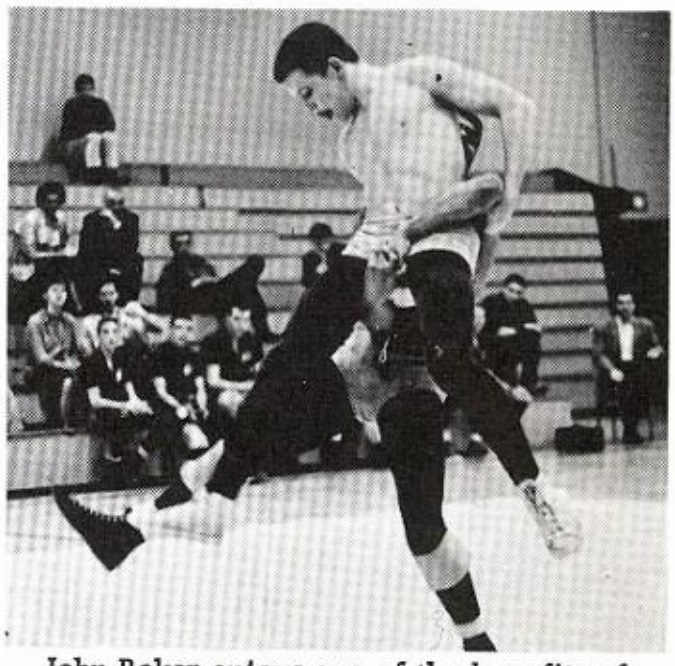
Peter Ruotsi tries in vein, but he is still behind in this wild foot race.



ob Brooks shucks his man off and moves n for the cross face.

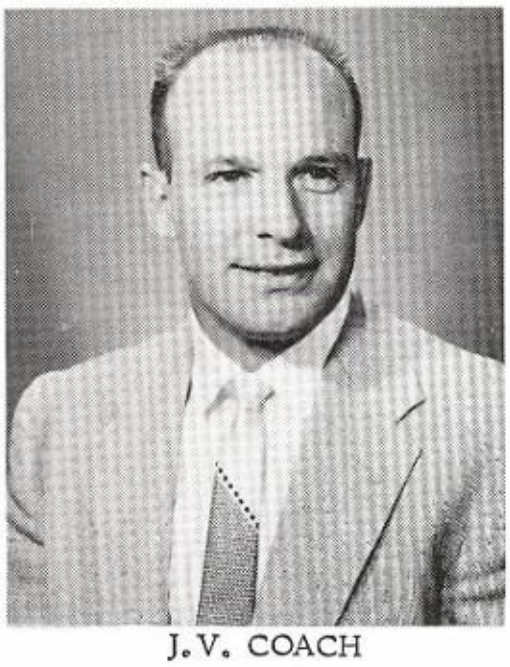
Russ Brown does the Pony while riding his opponent.



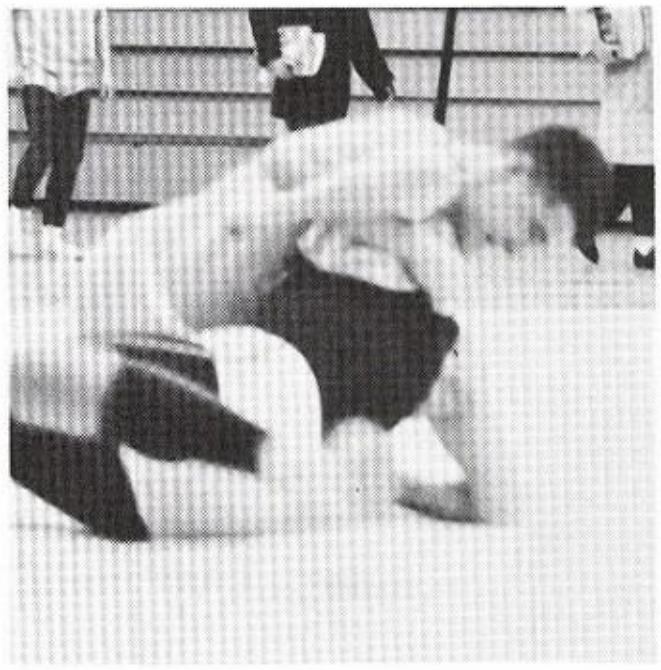


John Baker enjoys one of the benefits of wrestling, a free ride.

J. V. WRESTLING



J.V. COACH
MR. ALDRIDGE



The J.V. wrestling team once again enjoyed a fabulous season as they won eleven matches and lost only three. Mr. Aldridge had much talent to work with, and he used his grapplers to the team's fullest advantage.

The outstanding J.V. wrestlers for the season were Fay Lee, Gary Kakishita, Paul Wilhelm, Byron Baker, and Ben Stewart.

First row; Lyle Long, Tim Sue, Mike Callahan, Dan Manville, Byron Baker, Don Brown, Wally Kurihara, Jeff Meyers, Ben Stewart, Ron Porter. HEAD COACH
MR. ALDRIDGE

For years Washington has had very fine and well-coached track teams, and this year's squad was no exception. Coach Aldridge handled the varsity while Mr. Ashenbrener coached the J. V. 's and Freshmen.

In our initial track meet Washington narrowly squeezed by the Franklin Quakers 86 to 46. Wa-Hi entered five relay teams in the city relays and captured 5th place in team standings.

The outstanding participants in track for Wa-Hi were Jim Challis in the javelin, shot put, and discus; Dave Coons in sprints; James Welch and Ed Nelson in the distances; and Bob Brooks in sprints.

Challis at the present time is the holder of the best javelin mark in the state. He hurled the spear over 192 feet.

Other members who have played an important role in Wa-Hi's success are Jerome Polk, Joshua Polk, Mel Brown, John Warren, John Yadon, and Ray Van Beek.

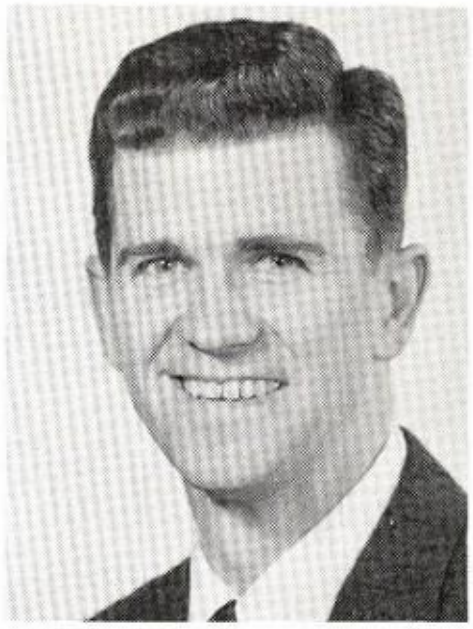
BASEBALL



HEAD COACH
MR. SENGSTOCK

Coach Wayne "Kip" Sengstock and his Colonial diamond men started the PIL league season on a victorious note by defeating Jefferson 2-1. Sophomore Bob Kaiser was the winning pitcher and Captain Bob Parman scored the winning run on a double steal. Pete Ruotsi and Gary Nelson provided the hitting. Grant found Wa-Hi to be much tougher than their ratings as the Generals fell before the Colonials by a score of 6-4. Earl Fray provided the pitching and also contributed two very important hits. Wilson interrupted Wa-Hi's winning ways as the managed to gain a 4-0 decision over the Colonials. Lincoln found Wa-Hi pitcher Earl Fray to be very stingy as Earl shutout the Cardinals in a 2-0 victory. Bob Parman provided the winning margin when he drove in the only two runs of the game. Madison, the league-leader, came from a 7-1 deficit to eventually defeat Wa-Hi 10-7. Both Franklin and Roosevelt found Wa-Hi too much to handle as Wa-Hi was victorious in both games. Andy Kanas hurled the 6-1 victory over Franklin and Earl Fray contained the Roughriders 8-1.

The season as of this moment holds a bright future for the Colonials. With a 5 win 2 loss record Washington can be proud of the aggressive and spirited play of the baseball team and with the support of the student body the team will try to maintain their winning ways. This year's squad accomplished something which no Wa-Hi athletic team had succeeded to do in years. They beat both Grant and Jefferson in successive games.

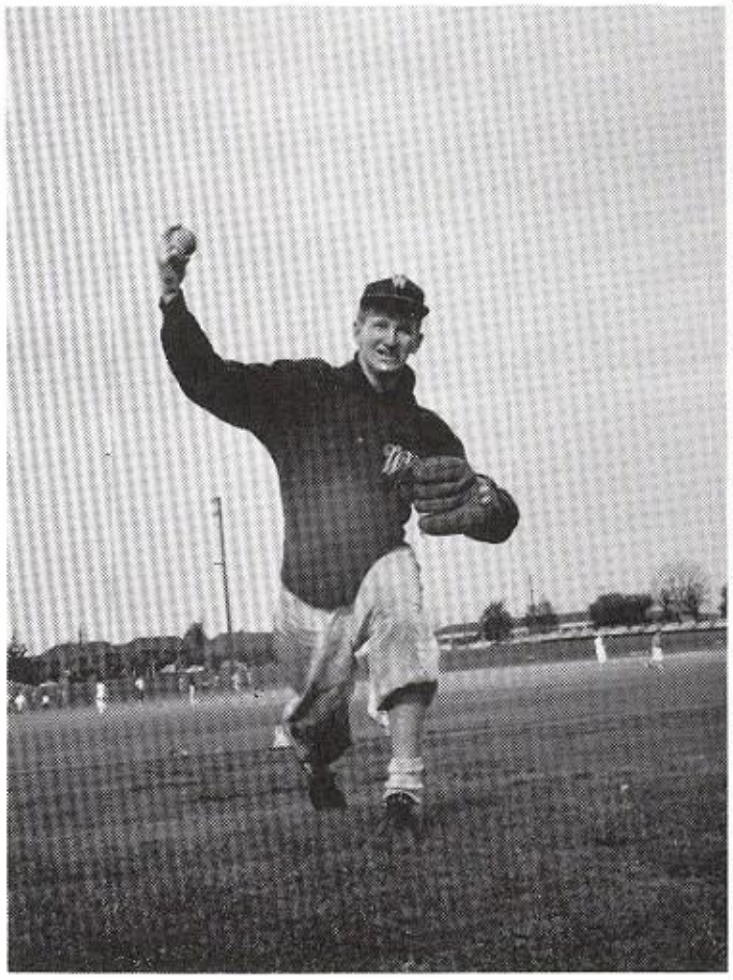
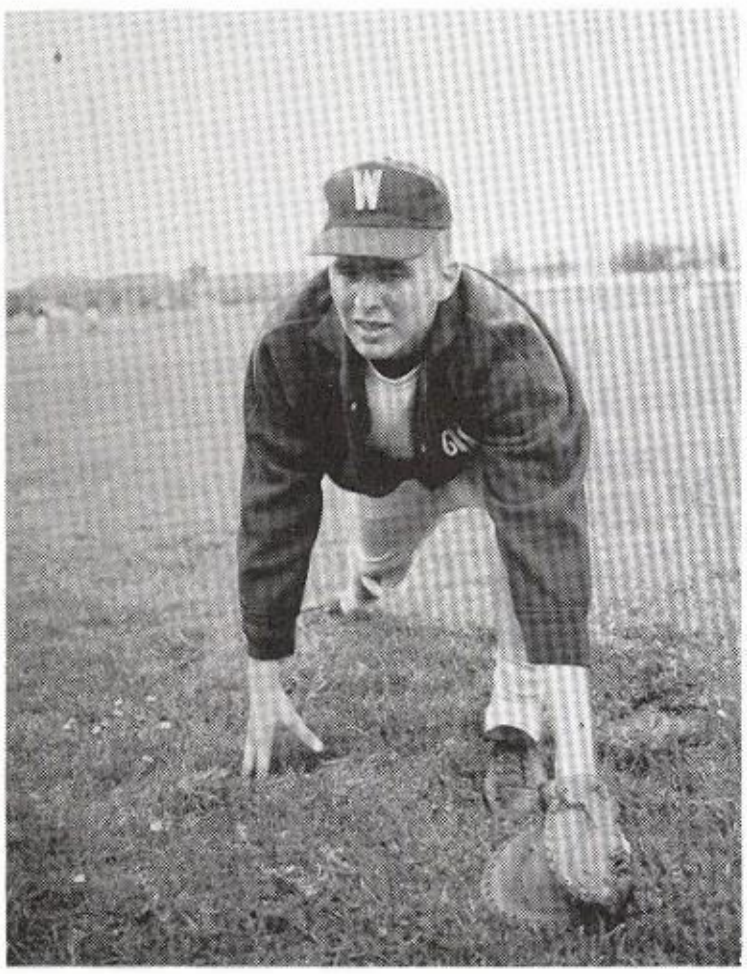
Captain Bob Parman is a familiar site as he roams the infield at second base. Last year as a junior, Bob received the honor of being placed on the second team all-city baseball team.

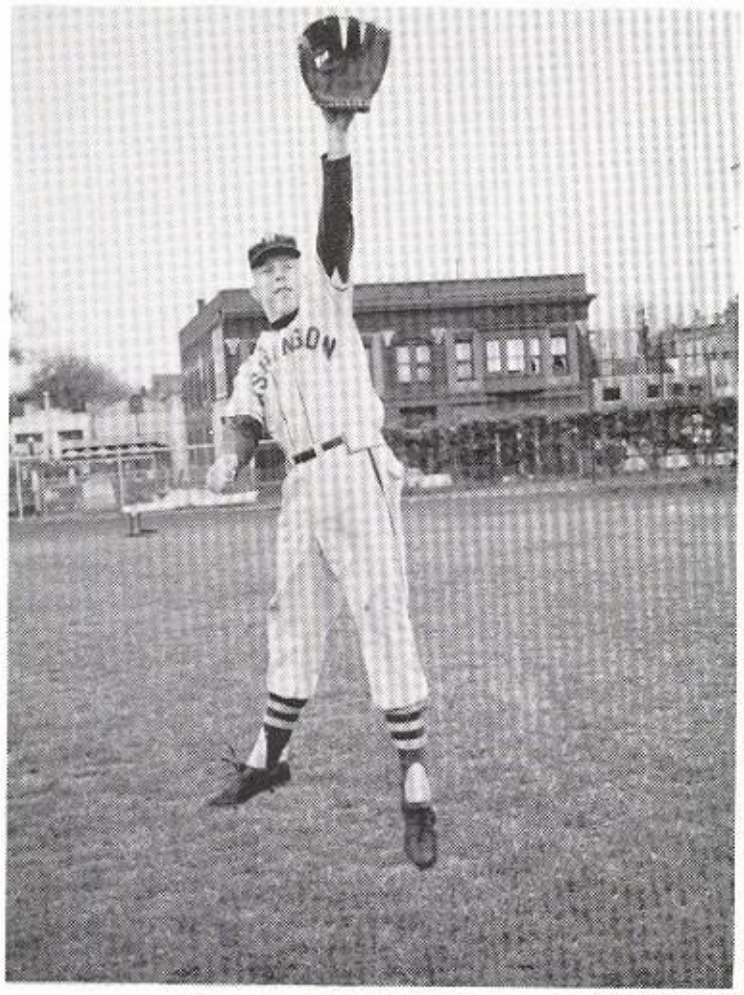


Sophomore Bob Kaiser releases his own special pitch which he calls the Cousy pitch. Bob was one of Wa-Hi's steadiest hurlers this season.



John Thomas played first base and also served as a relief pitcher when he wasn't playing at first.

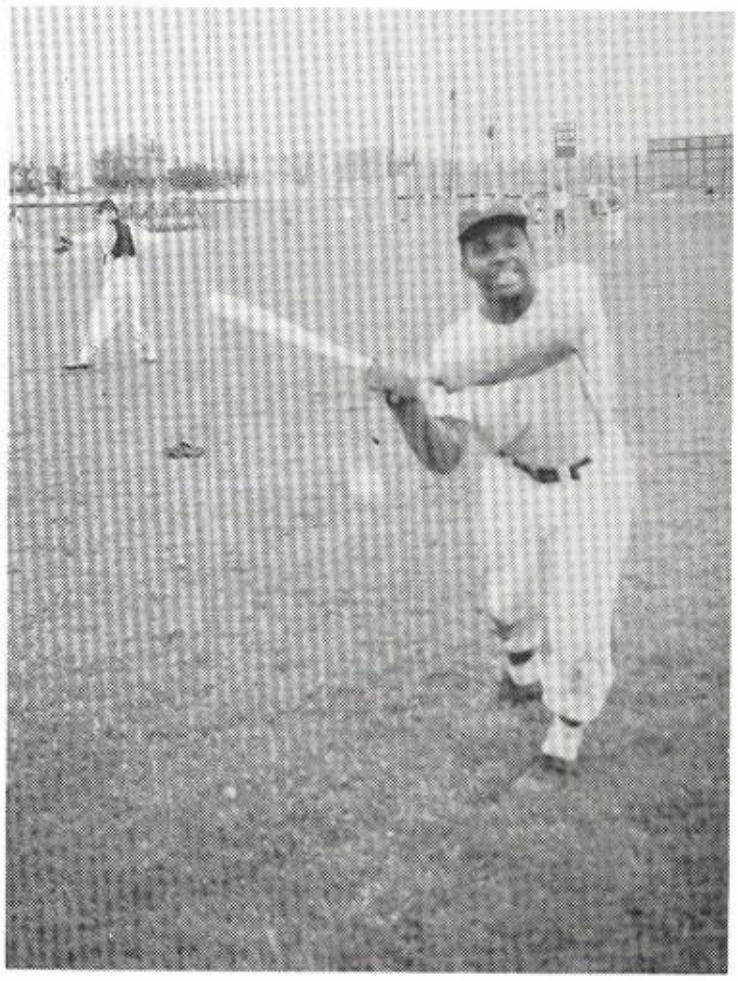
Third baseman Pete Ruotsi combined his consistant good fielding and hitting to aid Wa-Hi to a season which up to this point has been quite successful.



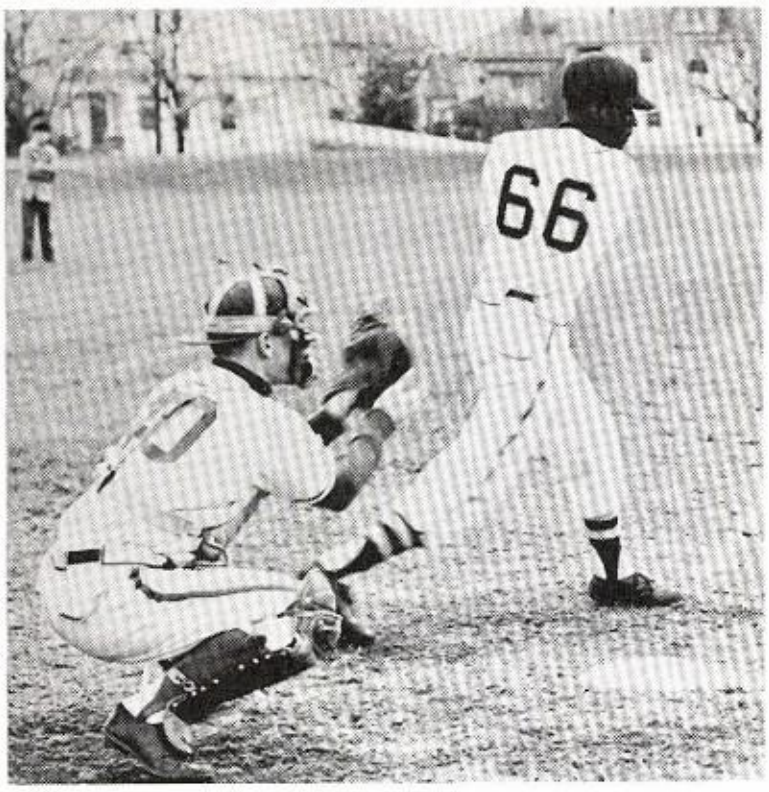
Gary Nelson proved to be a pleasant surprise as he played consistant ball and contributed many crucial hits.

Aggressive play and much spirit was displayed by senior Sherman Brown as he gathered in all the flys and ground balls that ventured his way.

Pitcher-first baseman Earl Fray proved himself to be one of the outstanding players in the league. Earl at the present time is one of the strike-out leaders in the PIL.



LeRoy Pittman, slick fielding shortstop for Wa-Hi, was one of the teams big stickers.



Sherm Brown connects with a double.

The boys tennis team, under the direction of Mrs. Walker, had a better than average season this year headed by three returning lettermen, Wahl, Tucker, and West. Due to the graduation of many, next year's squad will consist mainly of all new members.

GIRLS TENNIS

The girls tennis team, also directed by Mrs. Walker, had a rough season this year due to the lack of experience, but the entire squad shows encouraging development and promise of a better season to come. All the members, with the exception of Captain Sally Arnsberg, will return next year.

First Row-Left to Right: Sandra Avery, MaryAnn Krug, Joanne Brenner, Susan Chinn, Judy McIntyre. Second Row: Sally Arnsberg (Captain), Merilee Spielberg, Ann Cuddington, Sharon Chinn, Pauline Jennings.

The leading duffers are Tom Lindgren, Steve Enloe, and Stu Goforth. Steve made a hole in one at the CECC golf course while shooting a practice round of golf. To date, Wa-Hi has defeated Jefferson, Roosevelt, Franklin and Benson.
